TELECOM

"It's all about you"

Make free calls!

People Telecom iPhone provides you with a second phone number to make and receive calls at great rates.

Plus you'll receive:

- :: Unlimited free calls to other People Telecom iPhone customers
- :: Free iPhone worth \$200
- :: Capped deal on International calls

Local call (per call)	10c
National call (per call)	10c
International rates (per min) to Canada, China, Germany, Hong Kong, Ireland, Italy, New Zealand, Singapore, Sweden, Taiwan, UK & USA	9c
Other International Rates	Refer to People Telecom website
Calls to Mobile (per minute)	27c
Monthly line rental	\$9.99

1:: A minimum 1 minute call charge applies to all calls 2:: Calls are charged in 1 second increments after the first 60 seconds 3:: The service provides you with a second phone number. 4:: The iPhone service requires a People Telecom ADSL connection and works best when upload speeds are at 128k or greater. So we recommend that you have a 512/128 or 1500/256 People Telecom connection to get the best out of iPhone. 5:: All pricing is inclusive of GST. 6:: Accepted payment methods are Direct Debit to any type of bank account and debit to the following credit cards: Bankcard, Mastercard, Visacard and American Express.
